

SIIP AT A GLANCE

2024-2025 SCHOOLWIDE FOCUS

OUR MISSION as a school community is to support and educate all students in an environment of academic excellence. We do this by providing a positive environment, cultivating a growth mindset, and delivering high quality instruction while taking personal responsibility for every student. We do this so that students will be literate, resilient, and informed citizens of the world.

OUTCOME: Poe will achieve full accreditation by June 2025. Specific areas of focus are performance in Science, Mathematics Special Education, Language Arts Special Education and Chronic Absenteeism.

AUTHENTIC LEARNING EXPERIENCES

Students are engaged in collaborative inquiry that is relevant and responsive to their needs through:

* Real world applications

* Problem solving

* Safety and relationships

KEY DRIVER #1

1 READING, WRITING LISTENING, AND SPEAKING

Design daily explicit opportunities for students to read, write, listen, and speak in all classes.

KEY DRIVER #2

2 RESPONSIVE INSTRUCTIONAL DESIGN

Intentionally plan Tier 1 instruction using the framework of the Engagement Model.

KEY DRIVER #3

3 COMMUNITY AND SENSE OF BELONGING

Support students' social emotional learning to build community for students & staff using restorative practices.

PROGRESS-MONITORING:

- Formative assessment
- Common summative assessments
- Quarterly Assessment Data
- CT & Department Agendas
- Instructional Council

PROFESSIONAL DEVELOPMENT:

- Instructional Coaching
- Faculty Meetings
- Embedded learning in department & CT meetings
- CT Leader Training
