

SIIP AT A GLANCE

2023-2024 SCHOOLWIDE FOCUS

OUR MISSION as a school community is to support and educate all students in an environment of academic excellence. We do this by providing a positive environment, cultivating a growth mindset, and delivering high quality instruction while taking personal responsibility for every student. We do this so that students will be literate, resilient, and informed citizens of the world.

OUTCOME: Poe will achieve full accreditation by June 2024. Specific areas of focus are Science, Mathematics Special Education, and Language Arts Special Education performance.

AUTHENTIC LEARNING EXPERIENCES

Students are engaged in collaborative inquiry that is relevant and responsive to their needs through:

* Real world applications

* Problem solving

* Safety and relationships

CHRONIC ABSENTEEISM

OUTCOME: By the end of the 2023-2024 school year, Poe staff will utilize Tier 1 programming and targeted interventions to reduce chronic absenteeism from 26% in the 22-23 school year to 19% or lower.

KEY DRIVER #1

1

RELEVANCE

Explore and use various resources and supports to develop and implement culturally relevant learning experiences.

KEY DRIVER #2

2

COMMUNICATION

Use conversation structures to increase academic talk between students.

KEY DRIVER #3

3

ASSESSMENT

Utilize a variety of formative and summative assessments which align to the intended rigor of the essential standards.

KEY DRIVERS

1

STRUCTURES:

Strengthen school team practices to monitor attendance data and determine need for intervention and additional support.

2

ROOT CAUSES:

Understand root causes of student absenteeism. Strengthen programmatic responses to attendance barriers.

3

FAMILY PARTNERSHIP:

Strengthen messaging to staff, students and families around attendance to school.

PROGRESS-MONITORING:

- Formative assessment
- Common summative assessments
- Quarterly Assessment Data
- CT & Department Agendas
- Instructional Council

PROFESSIONAL DEVELOPMENT:

- Instructional Coaching
- Faculty Meetings
- Embedded learning in department & CT meetings
- Instructional Feedback Team
